PARENT PAYMENT ARRANGEMENTS YEAR 12 2022

19 October 2021

Dear Parent/Guardian,

Our Parent Payment Policy and 2022 voluntary financial contribution information has been updated as directed by DET. For further information on the Department's Parent Payments Policy, see the one-page overview attached.

Orbost Secondary College is looking forward to another great year of teaching and learning and the ongoing support from our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to maintain our canteen service, offer an instrumental program for Years 5 -12 across six local schools, provide extra education support staff in classrooms, purchase student blazers and sports tops and a myriad of other activities that enhance our school community.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all Curriculum Contributions and Other (non-curriculum) Contributions are voluntary.

The total voluntary Contributions for 2022 are outlined in more detail on pages 3 & 4.

Extra-Curricular Items and Activities

Extra-Curricular items and activities are provided on an opt-in or user pays basis and payment for these will be requested during the year. An outline of Extra-Curricular options the school is proposing for 2022 is detailed on page 5. We ask that parents indicate which Extra-Curricular items you would be likely to purchase, so we can plan for viability and final costs of running these activities and return the form to the office by Friday 10th December 2021.

Payment methods

Payment can be made:

- At school office (cash, cheque or EFTPOS)
- Bank direct deposit (name and contribution type as reference ie. CC, OC, ECIA, or ALL)

Refunds

Orbost Secondary College will consider requests for partial or full refunds of payments made by parents on a case-by-case basis. Refunds will be provided where the school deems it is reasonable and fair to do so, taking into consideration whether a cost has been incurred, the Department's Parent Payment Policy and Guidance, Financial Help for Families Policy, and any other relevant information.

Students leaving Orbost Secondary College

If a student transfers to another Victorian school, the unspent portion of any CSEF will be forwarded to the student's new school so the student has access to the full value of the payment.

If a student leaves the Victorian school system, any unused CSEF will remain with the school and may be used towards the expenses of siblings enrolled at the College, or if no siblings remain, be used for school incurred costs associated with operating camps, sports or excursion activities for students.

Credit amounts of parent payments (cash, direct deposit, Centrepay, BPay instalments) held at the time of the student leaving Orbost Secondary College may be used towards the expenses of siblings enrolled at the college or refunded back to the parent if no other siblings remain.

The student booklist is also attached. Please return to the office by Friday 10th December 2021.

If you have any questions regarding this letter, feel free to contact me at the College on 03 5154 1084.

Yours sincerely,

Peter Seal
